Best Wishes for Success from . . .

THE OGILVIE FLOUR MILLS CO. LTD.

"If it's Ogilvie it's Good"

Mrs. T. A. Sissons

Welcome Everyone

. . . to the fourth production of Medicine Hat Musical Theatre. We are very happy to be able to present to you, this year, one of Rodgers and Hammerstein's most successful musicals, "South Pacific."

This year's show is under the direction of Mr. Henry Allergoth, who is well known for his outstanding contribution to drama in our community. He has also been active in Musical Theatre since its origin. We know that in his capable hands we are giving you the same high calibre of entertainment we have had in the past.

Our shows have been successful because of the enthusiastic participation and assistance given by so many people. No one receives any financial remuneration. The only reward is the satisfaction of giving pleasure to you, the audience.

Building a musical theatre group such as we have is sometimes an arduous task. Our organization, since its inception approximately four years ago, has overcome many monetary and artistic problems. This year, we have had the satisfaction of achieving another of the objects of Medicine Hat Musical Theatre. We were able to present four scholarships to the Olds Drama Seminar this past summer in addition to awarding two singing scholarships.

I would like to express my most sincere thanks to the Executive, the entire Cast, the Musicians, Production Department and the many others who have worked so hard to give you "South Pacific."

We wish to thank you all for your patronage and solicit your continued interest and support in future Musical Theatre activities.

President.

Eileen Sissons,

Congratulations . . .
