## 2012 Life Member Inductees

### Tristan Edmundson

Tristan's love of the performing arts started at a young age in the dance studio. After more than a decade of competitions and recitals, she joined MHMT in 2005 and became a Merry Murderess in the production of 'Chicago'. This was only the beginning of a great addiction to musical theatre.

Tristan has put countless hours into ensembles in many shows such as 'West Side Story', 'South Pacific', 'Footloose' and 'Jesus Christ Superstar'. She has been credited as the dance captain in numerous shows and has even started choreographing. Other tasks have included bar staff, sewing costumes, cleaning and set painting. Recently, you may have caught her as Annie in 'Evil Dead - The Musical' and Miss Scarlet in 'CLUE The Musical' in the Playhouse. Altogether, over the past seven years, she has participated in 20 shows in Medicine Hat, 16 of them with MHMT. "Receiving a Life Membership is such an honour!"

### Carolyn Freeman

Carolyn attributes her love of musical theatre to her late father whose involvement in the Fraser Valley Theatre Guild ensured she knew more Broadway songs than Nursery Rhymes at a very young age. Although Carolyn was involved backstage in shows in Abbotsford, she was too shy (yes, really!) to go onstage until she moved to Medicine Hat when she was encouraged by Adele Armstrong to audition for 'The King and I'. After this debut, Carolyn (and husband, Terry) took a 22 year hiatus from Musical Theatre to work on their two best "productions" – children Meagan and Mark. During this time, she continued to pursue her love of singing through her involvement in several local choirs.

In 2007, Carolyn decided to "stage a comeback" to theatre with 'A Funny Thing Happened on the Way to the Forum' and has been involved in 20 community shows since – including tonight's performance of 'Grease'. She shows no sign of slowing down and is looking forward to new adventures in the realm of theatre, both onstage (provided people continue to choose shows that have roles for old ladies...!) and offstage as part of production teams/crews.

Carolyn is constantly amazed, excited and humbled by the tremendous talent in the Arts communities in Medicine Hat and by the rich opportunities that are provided for involvement. Both on and offstage, Carolyn has had the pleasure and privilege of meeting and learning from dedicated people who have since become good friends. She is particularly fond of her role as "Theatre Mom" to a number of very talented young people.

Carolyn would like to extend a sincere thank you to the Board of MHMT for this honour, to her family for their encouragement and support, and an apology to her husband for never being home to help with the dishes!!

### **Della Jesse**

A casual request in 1984, to help with that year's Medicine Hat Musical Theatre's production 'Seven Brides for Seven Brothers', has turned into a life-time passion for Della. Since catching "the bug", she's been involved in many productions including: 'Paint Your Wagon', 'Hello Dolly', 'Crazy for You', 'Fiddler on the Roof', 'Annie Get Your Gun', 'Little Shop of Horrors', 'West Side Story', 'Rocky Horror Show', 'The Full Monty', 'The Gifts of the Magi', 'Hedwig and the Angry Inch', 'Cinderella - The Pantomime', 'Evil Dead - The Musical', 'The Grinch - A Pantomime', 'CLUE - The Musical', 'Grease', the upcoming 'Wizard of Oz - Pantomime', 'True West', and 'Avenue Q.' And she is not finished yet!

While you won't see Della on stage, she has applied her many talents behind the scenes, from producing, to helping with the props, sound, and lighting. She manages the Box Office, and is the "Front of the House/House Manager" for Musical Theatre Playhouse.

Della embraces every new production with the same enthusiasm and excitement of that very first production, and says she "can't believe how much fun it is!" For the past two and a half years she has served on the Board of Directors of Medicine Hat Musical Theatre, where her experience and expertise is very much appreciated.

Della is proud, and humbled, to be the recipient of a Lifetime Membership. She stands tall (pun intended) with an amazing group of people, both past and present, who have been recognized in this manner. She wishes to thank Medicine Hat Musical Theatre, and all the volunteers and supporters, who have made this amateur theatre company a great cultural institution in the City of Medicine Hat for the past 51 years! She is also very grateful for the support her spouse, Mike, has given her, in the pursuit of her "passion" for live theatre.

### **Donna Propp**

Donna's "career" with Medicine Hat Musical Theatre, began in 1995, when she was invited by Peggy Bengert to join the production crew for 'Paint Your Wagon'. Since then, she has been involved in many areas, working behind the scenes, supporting the cast and crew, from selling tickets at the old Medicine Hat Musical Theatre building on North Railway Street, to helping Brenda Garrioch with props, helping Nora Hackett with costumes and dressing, to the construction, painting and striking of sets for productions, as well as helping in the backstage wherever and whenever her assistance was needed. She served on the Board of Directors of MHMT for four years, helping on many committees, and was the "costume liaison". She put on a hard hat and was instrumental in the construction of the Community Theatre Arts Centre (now known as the Musical Theatre Playhouse), and helped hang drywall, mopped floors, bartended during productions, and did whatever needed to be done.

She retired from theatre production in 2009, but proudly returned at the specific request of Bill Cocks, in 2011, to help with the production of "The Sound of Music". To all those with whom she has worked and served (including the audiences) she says "Thanks for the Memories".

### **Ramona Robins**

Ramona's love of musical theatre started with her sister's 10th birthday party. The whole gang went to see the movie 'Grease' and then went to matinees every day until school started. Then her mother bought the soundtrack LP and Ramona and her sisters spent hours performing 'Grease' for poor family and friends. But the hook was in, and it was in deep.

After university, Ramona moved to Medicine Hat and became a member of the Musical Theatre Board for several years. She finally got up the courage to leave the boardroom to audition for the 2004 fall show, 'Grease'. Her best theatre advice came from her seven year old niece after obsessing about getting a part. "Do you have a part now?" said the savvy seven year old. "Well no," admitted Ramona. "So if you try out and don't get a part, what is the difference?" said the now annoyingly wise grade 2 student. Convinced that auditioning was just the leap to take, she set out for the auditions and got a small part - oh

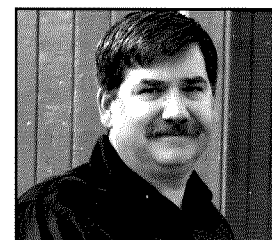

the wisdom of children! She went on to participate as one of the cast, crew, producer or tuba player in: 'Chicago', 'West Side Story', 'South Pacific', 'Rocky Horror Show', 'Jesus Christ Superstar', 'Cinderella', 'Sound of Music' and 'The Grinch'.

It has been a positive and joyful creative outlet after many hard working days. Ramona has had the pleasure of working with each of the other Life Member inductees, and is very proud to be on the list with such talented, passionate and lifelong friends.

### **Dave Townsend**

Dave started with Medicine Hat Musical Theatre in 1995 as Dutchie in 'Paint Your Wagon', being dragged by Kim Robinson to the show's first costume fitting because the show needed more male roles filled. Since that time, he has been associated with many different productions both on stage and working behind the scenes. He became known as Medicine Hat's "Singing Policeman" by CJCY's John Carter and Dave "the Bear" Harrison.

Dave worked as backstage crew for 'Chicago', 'Producers' and 'Sound of Music.' Dave has tried his hand as Stage Manager for 'Footloose', Assistant Director & Lighting Designer for 'Sound of Music', and Lighting Technician for 'CLUE The Musical.' Dave has enjoyed his time on stage with many other great people during 'Jesus Christ Superstar' as Peter, 'Fiddler on the Roof', 'Grease', 'West Side Story' as Lieutenant Schrank, and 'Gifts of the Magi' as Soapy Smith. This year, Dave is reprising his role as Vince Fontaine in Medicine Hat Musical Theatre's 2012 Production of 'Grease.'

Dave has worked with other local theatre companies since his start with MHMT in 1995, as well as harmonizing with the "Tartones" for a couple of years and singing in the church choir at Christ the King Parish and Holy Family Parish.

Dave is extremely thankful and appreciative of all the support he receives from his family and friends, especially his wife, Nova-Lee, for all the time he spends chasing the theatre bug.

Thank you once again to the Medicine Hat Musical Theatre Board of Directors for this honour.

# President's Message

Welcome to Grease!! We believe you will be superbly entertained with this production during Medicine Hat Musical Theatre's 51 year.

The last year has been very busy for MHMT. Following the Sound of Music performed in November, 2011, we continued construction on Musical Theatre Playhouse, our permanent home at 1221-10th Ave SW. We have added a bar, lounge area, make up area, dressing room, sewing room, costume storage and props storage. We acquired two commercial sewing machines for our costume mistresses, purchased additional mics and added a new lighting board. We are adding additional rehearsal space and are awaiting the arrival of upgraded software and computer systems for sound, video, and projection. We produced 'The Grinch' as our Christmas pantomime, and 'CLUE The Musical' in March, in The Playhouse.

Our plans for this year are as enthusiastic. We are producing 'The Wizard of Oz' as our annual pantomime in December. 'True West' will run early February, 2013 and 'Avenue Q.' will run in early April, 2013. If you have never attended a show at our Playhouse, I encourage you to try a different theatrical experience. Tickets can be purchased on line at our web site [www.mhmttheatre.com](http://www.mhmttheatre.com). The web site is updated often, providing information regarding new shows, audition dates, the history of MHMT and has many other features including interviews, videos and photos.

We are planning well into the future. We have secured the rights to 'Oliver', to be directed by Shannon Clish-Welsh, and performed in the Esplanade in November, 2013. Two additional shows have been arranged subsequent to 'Oliver'. Our goal is to offer a season to our patrons during 2013-2014. All of our plans will only come to fruition if we continue to have the support of our dedicated volunteers and you, the patron.

I offer a heartfelt thank you to the directors, producers, designers, front of house staff, players, musicians, technicians, costumers, builders, department heads, and all the other support personnel who contribute their unpaid time to create such entertaining shows.

Sit back, relax and enjoy a classic rock and roll show!!

-Lawrence Gordon

# MEDICINE HAT MUSICAL THEATRE PRESENTS

# GREASE™

A musical about teens in love in the 50s! It's California, 1959 and greaser Danny Zuko and Sandy Dumbrowski are in love. They spend time at the beach, but when they go back to school, what neither of them knows is that they both now attend Rydell High. Danny is the leader of the T-Birds, a group of black-jacket greasers while Sandy hangs with the Pink Ladies, a group of pink-wearing girls led by Rizzo. When they clash at Rydell's first pep rally, Danny isn't the same Danny as at the beach. They try to be like each other so they can be together.

*It's Electrifying!*

The video/audio recording of this performance by any means whatsoever is strictly prohibited.

### Director's Message

It gives me "chills" and great pleasure to welcome you to the iconic production of 'GREASE'. The day my parents took me to the 1978 movie of 'Grease', I idolized Sandy and Danny, danced endlessly to 'You're the One that I Want', and never gave my parents a day off from singing 'Hopelessly Devoted' at the top of my lungs into a hairbrush!!! Through the production of 'Grease' the golden days of Rock & Roll, poodle skirts and convertible cars were brilliantly brought to life again in an unforgettable way. 'Grease' has delighted audiences across the world, and still to this day entertains us as a timeless classic. That is why I chose to revive it once again for the Medicine Hat audience. This show will again satisfy that 1950s pop culture craving through majestic sets, vibrant costumes, amazing choreography, fantastic Rock & Roll music, and a most impressive cast of characters who will take you back in time, and only leave you wanting more!

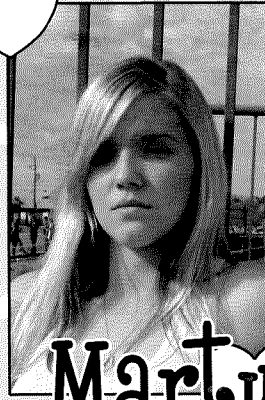

"GREASE IS THE WORD".

**Joey Sabourin**

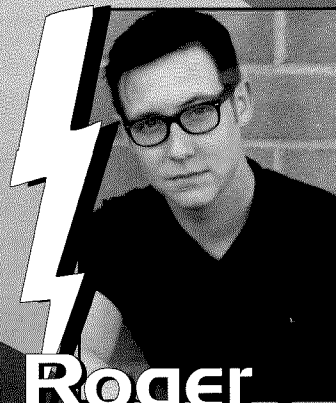

Joey has been involved in theatre since 2001. To date, he has participated in 9 shows, with one of them being 'GREASE' in 2004! He is "pumped" to be able to reprise the role he had in 2004, that of Danny Zuko, and perform it on the "big stage" of the Esplanade! His love of singing, dancing, and meeting new people keeps him coming back to community theatre.
